Footnotes: Data are reported from students who responded to the AACOM Graduating Seniors Survey "School values diversity in its faculty, administration, and student body" question. Race and ethnicity "All Others" include respondents indicating American Indian and Alaskan Native, Native Hawaiian and Pacific Islander or multiple races. Students who indicated Hispanic/Latino are counted as being of Hispanic/Latino ethnicity, effectively superseding any other race selection(s) s/he may had made. Primary Care consist of Family Medicine, General Internal Medicine and General Pediatrics.
