

Source: AACOM, Annual Osteopathic Medical School Questionnaire, 2022-23 academic year

This gender and race/ethnicity report reflects total graduates that received a DO degree from July 1, 2022 through June 30, 2023. The "Undisclosed" category consists of students who did not self-designate a gender and therefore are not included in the male or female category. "Percent Female" is based on students who disclose gender.

Race/ethnicity categories of this report reflect the most current Annual Osteopathic Medical School Questionnaire (Annual Survey). Underrepresented in Medicine (URiM) includes: Hispanic/Latino; American Indian/Alaska Native, non-Hispanic; Black/African American, non-Hispanic; and Pacific Islander, non-Hispanic. Students with multiple race designations, two or more races and/or nonresident aliens did not self-designate a race/ethnicity. Therefore, they are not included in the Hispanic/Latino; White, non-Hispanic; American Indian/Alaska Native, non-Hispanic; Black/African American, non-Hispanic; Asian, non-Hispanic; or Pacific Islander, non-Hispanic category. Students with multiple race designations, two or more races and/or nonresident aliens also are not included in the URiM percentage.

Source: AACOM, Annual Osteopathic Medical School Questionnaire, 2022-23 academic year

This gender and race/ethnicity report reflects total graduates that received a DO degree from July 1, 2022 through June 30, 2023. The "Undisclosed" category consists of students who did not self-designate a gender and therefore are not included in the male or female category. "Percent Female" is based on students who disclose gender.

Race/ethnicity categories of this report reflect the most current Annual Osteopathic Medical School Questionnaire (Annual Survey). Underrepresented in Medicine (URiM) includes: Hispanic/Latino; American Indian/Alaska Native, non-Hispanic; Black/African American, non-Hispanic; and Pacific Islander, non-Hispanic. Students with multiple race designations, two or more races and/or nonresident aliens did not self-designate a race/ethnicity. Therefore, they are not included in the Hispanic/Latino; White, non-Hispanic; American Indian/Alaska Native, non-Hispanic; Black/African American, non-Hispanic; Asian, non-Hispanic; or Pacific Islander, non-Hispanic category. Students with multiple race designations, two or more races and/or nonresident aliens also are not included in the URiM percentage.
