

Source: AACOM, Annual Osteopathic Medical School Questionnaires, 1999-00 through 2022-23 academic years

Total graduates include all students who received a DO degree from July 1st through June 30th. The "Undisclosed" category consists of students who did not self-designate a gender and therefore are not included in the male or female category. "Percent Female" is based on students who disclose gender.

Source: AACOM, Annual Osteopathic Medical School Questionnaires, 1999-00 through 2022-23 academic years

Total graduates include all students who received a DO degree from July 1st through June 30th. The "Undisclosed" category consists of students who did not self-designate a gender and therefore are not included in the male or female category. "Percent Female" is based on students who disclose gender.
