Note: A "\*" indicates either data are unavailable or program exists and no students were enrolled for academic year.

<sup>1</sup>ARCOM permits MSBS students to apply to its DO program. The MSBS graduate program is offered through ARCOM's parent college, Arkansas Colleges of Health Education.

<sup>2</sup>AZCOM offers a DO/PhD program with other universities providing PhD training.

<sup>3</sup>CUSOM has offered a MSBS graduate program for academic years 2019-20, 2020-21 and 2021-22; for academic years 2013-14, 2014-15 and 2016-17, CUSOM reported the following graduate programs offered through its parent college, Campbell University: Clinical Research, Doctor of Pharmacy, Doctor of Physical Therapy, Physicians Assistant Studies and Public Health.

<sup>4</sup>DMU-COM offers MS graduate programs in Anatomy, MSBS graduate programs and Post-Bachelor's non-degree programs.

<sup>5</sup>KCU-COM offered a MSBS graduate program to students for academic year 2011-12.

<sup>6</sup>LECOM offers MHSA, MPH, MSBE and MSed graduate programs that may be completed as standalone or concurrent with its DO program for third- and fourth-year osteopathic medical students.

<sup>7</sup>LECOM Bradenton offers MHSA, MPH, MSBE and MSed graduate programs that may be completed as standalone or concurrent with its DO program for third- and fourth-year osteopathic medical students.

<sup>8</sup>LMU-DCOM offered MS graduate programs in Anatomical Sciences and Physicians Assistant Studies, as well as a Graduate Certificate in Business for academic years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16.

<sup>9</sup>MSUCOM reported the following offered through its parent college, Michigan State University: MS graduate programs in Medical Ethics, Microbiology/Molecular Genetics, Pharmacology/Toxicology, Integrative Pharmacology and Pharmacology Toxicology/Food Safety; Graduate Certificates in Safety Pharmacology and International Health; PhD and post doctorate programs, including PhD in Chemistry/MS in Integrative Pharmacology and Doctor of Veterinary Medicine/Pharmacology and Toxicology. These programs were reported in variation for academic years 2009-10, 2010-11, 2011-12, 2013-14, 2014-15, 2015-16, 2016-17 and 2018-19.

<sup>10</sup>MU-COM offered a MSBS graduate program to students for academic year 2018-19.

<sup>11</sup>NSU-KPCOM offered MPH, MS, MSBI, MSDEP and MSMEd graduate programs for academic years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16; Predoctoral Fellowships in Research and Osteopathic Medicine were offered for academic years 2009-10, 2010-11, 2011-12 and 2012-13.

<sup>12</sup>OSU-COM previously reported MS graduate degree programs in Forensic Science, Forensic Science Administration and Healthcare Administration offered through its parent university for academic years 2009-10, 2010-11 and 2011-12.

<sup>13</sup>PCOM offered standalone MS graduate programs in Aging & Long-Term Care Administration, Biomedical Science, Forensic Medicine, Organizational Development & Leadership, School Psychology, Mental Health Counseling and Physician Assistant Studies; PsyD graduate programs in School Psychology and Clinical Psychology; and Pharmacy and Educational Specialist graduate programs for academic years 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16. Students may have completed these programs and then entered the DO Program.

<sup>14</sup>PCOM Georgia offered standalone MBA, MPH, MSBS, Doctor of Pharmacy and Biomedical Science Graduate Certificate graduate programs for academic years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16. Students may have completed these programs and then entered the DO program.

<sup>15</sup>TUCOM-CA offers a standalone predoctoral MSMS graduate program.

<sup>16</sup>TUNCOM offers a DO/MPH program through its sister campus, TUCOM-CA. TUNCOM also has offered a MS graduate program in Medical Health Sciences for academic years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15, 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, 2020-21 and 2021-22; and offered a MS graduate program in Physician Assistant Studies for academic years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14 and 2014-15.

<sup>17</sup>UNTHSC/TCOM is a wholly constituted college within the University of North Texas Health Science Center and only offers the DO degree. Also, within the Health Science Center is the School of Health Professions offering degrees in Physician Assistant Studies and Physical Therapy; the Graduate School of Biomedical Sciences offering MS and doctoral degrees in the basic sciences; and the School of Public Health offering masters and doctoral degrees. UNTHSC/TCOM reported the following graduate programs offered through its parent university and other branch colleges for academic years 2011-12: Physician Assistant Studies, Physical Therapy, Public Health and Biomedical Sciences.

Degree descriptions: BA – Bachelor of Arts, **BS** – Bachelor of Science, **DHed** – Doctor of Health Education, **DMD** – Doctor of Dental Medicine, **DO** – Doctor of Osteopathic Medicine, **JD** –Juris Doctor, **MA** – Master of Arts, **MBA** – Master of Business Administration, **MHA** – Master of Health Administration, **MHSA** – Master in Health Services Administration, **MMEL** – Master of Science in Medical Education Leadership, **MPH** – Master of Public Health, **MS** – Master of Science, **MSBE**– Master in Biomedical Ethics, **MSBI**– Master of Science in Biomedical Informatics, **MSBS** – Master of Science Biomedical Sciences, **MSHS** – Master of Science in Health Services –**MSDEP** – Master of Science in Disaster and Emergency Preparedness, **MSMEd** – Master of Science in Medical Education, **MSMS** – Master of Science in Medical Sciences, **PhD** – Doctor of Philosophy
